THE SEASON OF EPIPHANY

For Those Who Dream

THE EPISCOPAL CHURCH OF THE EPIPHANY

***The mission of the Church of the Epiphany is to offer a home to all
those who are seeking God's unconditional love.***

From the Vicar

The month of January begins each year, and with this new beginning, we attempt to put all of the troubling memories from the previous twelve months away and make resolutions as to how we will change ourselves for the better.

The origin of the month's name is derived from the ancient Roman god Janus, who was said to have two faces, one turned to the past, one turned to the future. The Romans apparently felt this was appropriate for the first month of their calendar. The website etymonline.com has this to say about Janus:

[An] ancient Italic deity, to the Romans the guardian god of portals, doors, and gates; patron of beginnings and endings, c. 1500, from Latin *Ianus*, literally "gate, arched passageway," perhaps from PIE root **ei-* "to go" (cognates: Sanskrit *yanah* "path," Old Church Slavonic *jado* "to travel"). He is shown as having two faces, one in front the other in back (they may represent sunrise and sunset and reflect an original role as a solar deity). His temple in Rome was closed only in times of peace. Related: *Janian*.

(Etymology is the study of word origins.)

The year 2025 was a difficult year for many of us, although every year has its difficulties. With each year, we get older, which can offer its own difficulties. That is just a fact of life. Each year we suffer losses. For some, these may include loved ones, jobs, things we treasure that wear out or are broken.

The changing of the calendar doesn't change this. We can move forward, but that doesn't mean we forget.

This new year we have entered will undoubtedly bring both good and bad times to each of us in equal measure. Of course, this change in the calendar is arbitrary. Every day, every hour, every moment brings with it new opportunities and new challenges.

If you are one to make resolutions and set goals at the start of the new year, keep in mind that they are not set in stone. Not keeping those resolutions or reaching those goals is not a issue of failure but an opportunity to learn.

Also remember that resolutions and goals can be amended to fit circumstances. What you might want for yourself in January may not be the same later.

I pray that each of you have an opportunity to grow this year. Yes, your never too old to grow... emotionally, intellectually, and most importantly, spiritually.

Keep in mind what has been called the Serenity Prayer, a version of which reads: “God grant me the serenity to accept the things I cannot change, the courage to change the things I can (and should), and the wisdom to know the difference.”

Never forget that whatever happens in 2026 and beyond, both the good and the bad, God is always present. God has broad shoulders that can be leaned upon in times of stress and loving arms that will wrap around you when you need comforting.

Life is short, and we do not have much time to gladden the hearts of those who travel the way with us. So be swift to love, and make haste to be kind; and may the peace of God that surpasses all understanding keep your hearts and minds in the knowledge and love of God and our Lord and Savior Jesus Christ; and the blessing of God Almighty, the Father, the Son, and the Holy Ghost, be amongst you, and remain with you always. *Amen.*

A Happy Thanksgiving

On Thursday November 27, Thanksgiving day, Epiphany had it's first Thanksgiving Day dinner. Thanks to a great Idea from Randy and Ginny Bauer. Randy who won a Large turkey and ham suggested we share it on Thanksgiving with anyone not having family to share the holiday with.

While he provided the meat and Ginny cooked it, everyone else brought the sides. Everyone attending agreed this was a huge success and talked about doing it again next year. If you can't be with your own family and don't want to cook a whole traditional thanksgiving dinner you can be with your church family.

THANK YOU ! What an amazing response from our Parish! Gifts were given for 26 children. Your generous support of this mission was truly “gifts from your hearts!” We delivered all the gifts on December 22nd.

And, as bonus gifts, Melanie East made 26 Christmas stockings AND filled them with all kinds of goodies! Thank you Melanie!

Please accept my heartfelt *thank you* to all !

The Epiphany

The manifestation of Christ to the peoples of the earth. The winter solstice was kept on Jan. 6 at some places during the first centuries of the Christian Era. In opposition to pagan festivals, Christians chose this day to celebrate the various manifestations, or "epiphanies," of Jesus' divinity. These showings of his divinity included his birth, the coming of the Magi, his baptism, and the Wedding at Cana where he miraculously changed water into wine. The day was called "The Feast of Lights." Celebration of the Son of God replaced celebration of the sun. Baptisms were done, and a season of preparation was instituted. It was later called Advent.

The solstice was kept on Dec. 25 by the fourth century. Jesus' birth was celebrated on this day in both eastern and western churches. The western church commemorated the coming of the Magi on Jan. 6. The eastern church continued to celebrate the Baptism of our Lord and the Wedding at Cana on Jan. 6. In the east the day was called "Theophany" (manifestation of God).

The coming of the Magi is celebrated on the Feast of the Epiphany, Jan. 6, in the BCP. The Baptism of our Lord is celebrated on the First Sunday after the Epiphany.
